Up, Up and Away.... “Speed-Dating”

2018 Alliance Meeting
Albuquerque, NM
January 31, 2018

Facilitators
Priscilla Neves
Angela Kohls
Table Presenters

• Full listing in handout
• If you misplaced your handout-extras are on the registration table in the back
• 2 RRT Poster Stations
Session Objective

To share examples of tools, resources and ongoing initiatives, as well as provide access to SMEs from multiple organizations.
Plan Your Ride!

• Select up to 9 tables or poster stations you would like to visit.

• In each session (20 minutes)
  o Listen to brief presentation (7-10 minutes)
  o Have about 10 minutes for questions and dialogue, exchange of information.
  o View 4-5 posters at each station (20 minutes)

• Move to your next table/poster station and quickly settle in!

• Optional parking lot items (yellow stickies)
Ground Rules

1. Turn phones off or place in silent mode
2. Split up the attendees from your program (visit different tables) to maximize your time and to give others equal access. You can regroup to share notes over happy hour!
3. Try to give everyone chance to ask questions or offer comments.
4. Stick to the agenda topic
5. All questions are good questions
6. It’s ok to disagree, but do it respectfully
7. Listen during presentation as well as during Q&A – try to refrain from side discussions.
8. Honor time schedule – when time is up, please move quickly to your next table of choice and settle in.
Pilotage

The process of directing the movement of a ship or aircraft by visual or electronic observations of recognizable landmarks.
