

# ISO 17025:2005 Laboratory Accreditation CAP: Updates

Erin Woodom-Coleman, Project Officer  
FDA Office of Partnerships

February 2, 2016

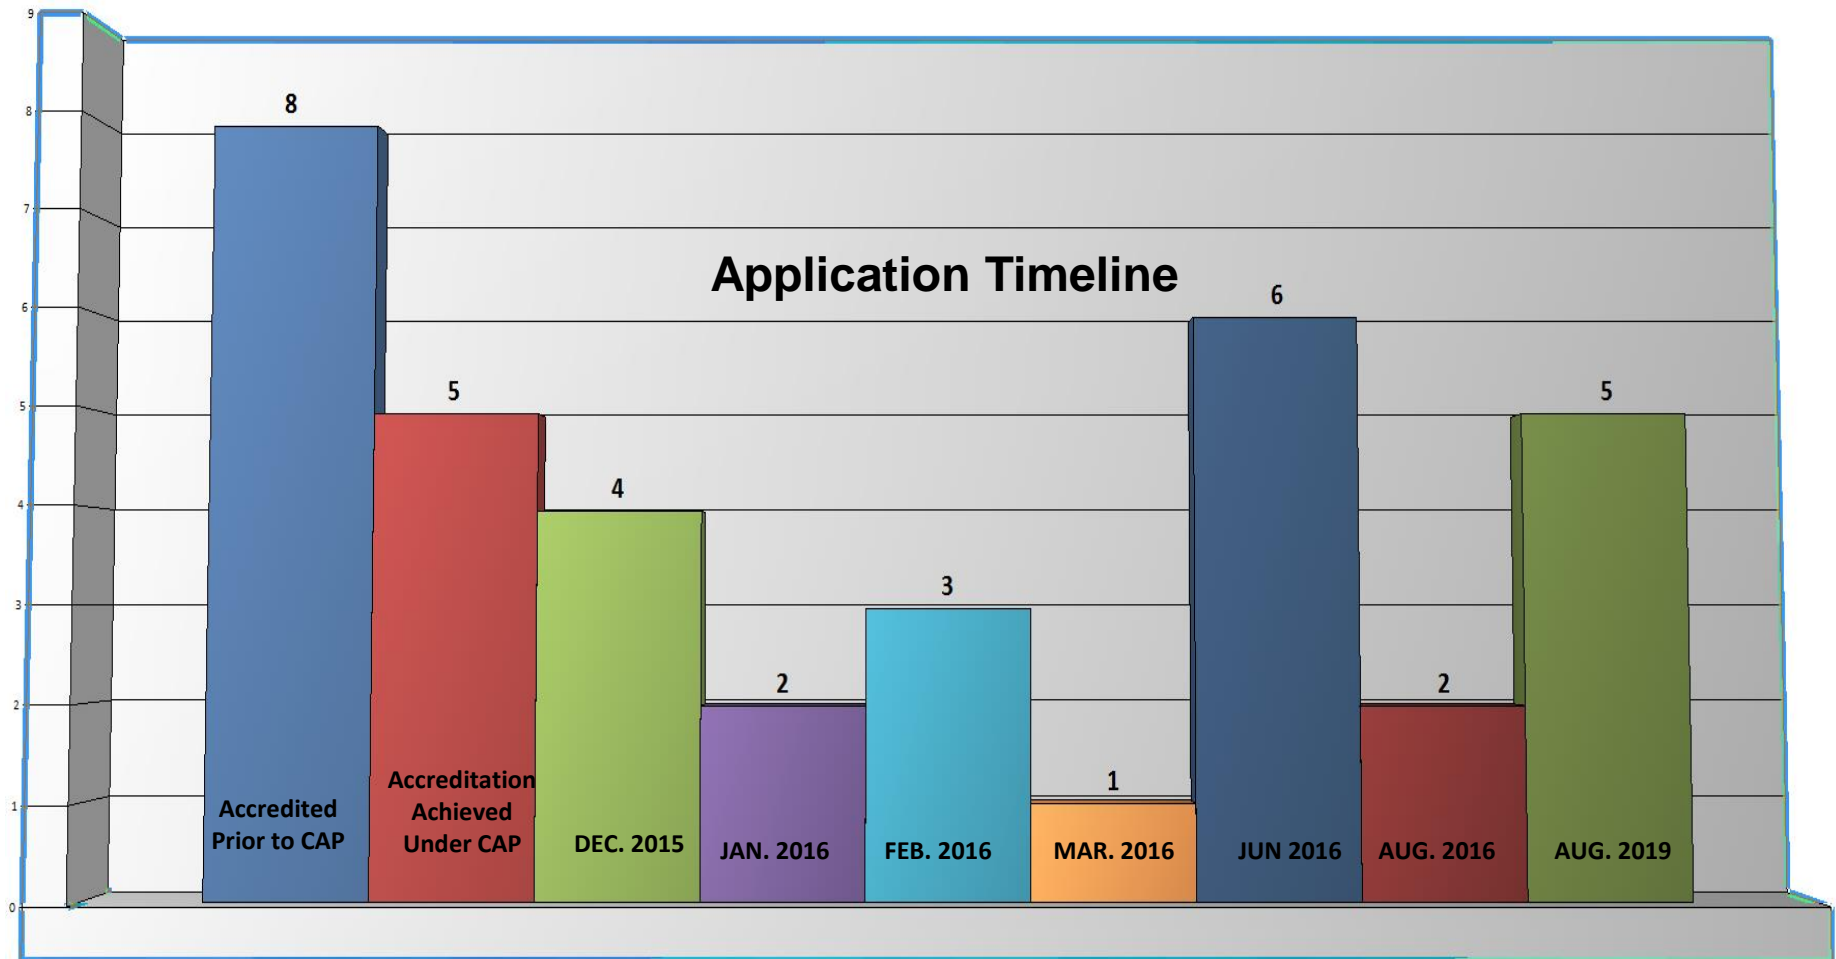

# ISO Team – Who Are We?

- Erin Woodom-Coleman  
*OP – Human Food ISO*
- Teresa Bills  
*OP – Animal Food ISO*
- Ruiqing Pamboukian, Ph.D.  
*ORS – Human and Animal Food*
- Host of ISO Assessors from ORS
- State primary testing laboratories

# ISO CAP History

- ISO 17025:2005 Accreditation CAP (Food)
  - Established in 2012 w/ 31 labs
  - Expansion in 2015 w/ 6 new labs
  
- AFRPS CAP + ISO Option (Animal Food)
  - Established in 2015 w/ 20 labs
  - Anticipated expansion in the near future

# Where Are We? – Original Labs

# Where Are We? – Original Labs

## Human Food ISO

- Application submission
- Preparing for assessments
- Addressing deficiencies
- Refining Sampling Agreements
- Enhancing scope (accredited labs)

# Where Are We? – New Labs

## Human and Animal Food ISO

- Strengthening partnership with regulatory counterparts
- Desk Audits and Onsite Assessments
- Gap Analysis development
- Sampling Agreement brainstorming

# What's Next?

## Original Labs

- 100% Accreditation
- Build and Expand Resources
  - Scope of accreditation
  - Sampling Agreement (joint effort)
    - Blue Bell (SC) and Jeni's Splendid (NE)

## New Labs (H/A Food)

- FTEs
- ISO Training
- Continue to build a quality management system

# Congratulations!

State Hygienic Lab  
Univ. of Iowa - Ankeny

NE Dept. of Agriculture

KS Dept. of Agriculture

# Congratulations

MD Dept. of Health and Mental Hygiene

IN State Dept. of Health

# Acknowledgements

- Manufactured Food and Animal Food Regulatory Programs
- MFRP Alliance
- AFDO
- AAFCO
- APHL
